Pictured Rocks National Lakeshore
National Park Service
U.S. Department of the Interior

Backcountry camping at Pictured Rocks National Lakeshore is limited to designated sites within 13 backcountry campgrounds. Groups consisting of 7-20 people must camp in designated group campsites. Individual campsites are available for camping parties of 1-6 people (2 tent limit).

All campsites are available for advance reservations. Before you make your trip plans, please read the entire backcountry camping brochure. (No reservations are available for the drive-in campgrounds: Little Beaver Lake, Twelvemile Beach, and Hurricane River.)

An advance reservation fee of \$15 is required at the time your reservation is taken. There are NO RE-FUNDS! Credit cards (Visa or Mastercard), checks or money orders will be accepted for payment. Make checks payable to the National Park Service.

A user fee of \$5 per person, per night is required - payable only when you pick up your permit (no refunds).

Reservations will be accepted beginning January 1 of each year. The park will hold a lottery-type drawing on the third Thursday in January for all reservations received before this date. Reservation requests received on or after the third Thursday in January will be filled on a first-come, first-serve basis. Reservations must be postmarked or faxed at least 14 days prior to the first day listed on the backcountry itinerary. **There are no phone reservations.** Include reservation payment only (do not include the per night use fee).

Your permit must be obtained in person within 24 hours of your trip and by a member of the camping party at either the Visitor Information Center, Munising, or Grand Sable Visitor Center, Grand Marais. Please plan your trip in accordance with visitor center hours. If you arrive after hours, you will have to wait until the next day to obtain your permit and begin your trip. NOTE: If you do not arrive on the first day of your scheduled trip, your entire itinerary may be cancelled unless you notify us! Reservations will be held until 4 p.m. the first day on your itinerary.

Study the backcountry camping brochure to decide which campgrounds you want to reserve. Note that there is a three consecutive night limit at each campground.

Once you have developed specific plans for your trip:

- (1) Fill out the Backcountry Campsite Reservation Form (on reverse side.) For each date, fill in the campground you want to reserve (list down, not across.) Please list three different choices. This allows us to choose an alternate request if your first request is not available. Listing alternate dates is helpful as well.
- (2) Include reservation payment (only)
- (3) Mail the form to:
